Silverdale Site Storage

A big round of applause and an equally large 'thank you' to the guys that volunteered their time to paint the storage units on our Silverdale site. Both units will be lockable and will be enormously valuable to storing timber and any other items that will be of low interest to would-be thieves.

Marketing

To increase awareness of the Hibiscus Men's Shed in the local area, an information sheet describing our group and its activities is being prepared as a 'mailbox stuffer'. The intention is for each member to be given a few of the sheets to be inserted into mailboxes in their immediate vicinity in the hope we can stimulate interest and increased membership in our group. Membership to date is 57 with 3 new members having joined in the last few days.

Financial Information

A special funding newsletter is being prepared with a view to keeping all members informed as to the progress being made with our funding activities. This should be available shortly.

Mid-Winter Dinner

The dinner we held last year proved to be very successful so we intend to repeat the exercise. Arrangements are being made for the dinner to be held at the Red Beach Surf Club on Thursday 16 July. The cost is going to be \$35 per head and expressions of interest should be directed to Maurice Browning.

New Building Works- Silverdale

We are still waiting for the earthworks to get underway. Maurice Browning is champing at the bit but nothing can proceed until Boococks do their bit. Once that happens, it will be all go.

Coffee Club

Now that we are in level 1 of the lockdown, our meeting can resume and the next one is scheduled for 1 July.
